

REGISTRATION STARTUPS @ OST2025

New! At the ORTHOPEDIC SHOE TECHNOLOGY on October 24/25, 2025 in Cologne, we offer interested startups attractive conditions for participation.

The OST fair is the only international platform dedicated exclusively to orthopedic shoe technology. OST 2023 had over 140 exhibitors and more than 4000 professional visitors.

The industry meeting offers an excellent opportunity to meet potential customers, investors, and business partners. Direct contact can often lead to valuable relationships and collaborations and increase your own visibility.

DATA PROTECTION NOTICE

The personal data on your registration are used for the contractual processing of your order or registration. They are collected, stored, processed, and, if necessary, passed on to third parties who are commissioned with the processing of the event (Verlagsbüro Lutz, RAW n'Restless GmbH, Koelnmesse). Both the data processing by the organizer and by commissioned third parties are subject to the GDPR, and the transfer is contractually regulated. An objection is possible at any time, as long as the order processing is not made impossible or other legal provisions apply. Further information on data processing by the organizer can be found at www.OST-Messe.de/Datenschutzerklärung.

By signing this registration, you acknowledge the participation conditions (AGB) of ORTHOPEDIC SHOE TECHNOLOGY, the house rules of Koelnmesse GmbH, as well as the additions specified in the Technical Guidelines as binding.
